AUSTRADE

2008 Financial Services Information and Communication Technology (ICT) Mission to New York

The Australian Trade Commission (Austrade), the commercial division of the Australian Consulate General in New York, presents this 3rd annual Financial Services ICT Mission to New York, to showcase 5 world class Australian financial services ICT solutions to the US Market, June 10th through 13th.

Australia now boasts the worlds 4th largest pool of funds under management, and emerging from this sophisticated, rapidly growing financial services sector, are many new innovative approaches to common financial services industry challenges.

The solutions cover key issues in **governance, risk management and compliance, business continuity management, change management, credit risk and mortgage management.**

Who Should Participate?

Thought leaders and operations staff, including COO's, Compliance Specialists, Systems Integrators, Business Efficiency Leaders and CIO's would be best suited to attend and evaluate these fresh ICT solutions. The solutions presented will cover all facets of Financial Services and the broader business community.

How do I Participate?

- Review the attached solutions brief and call Belinda at Austrade, New York, to **schedule exclusive meetings** from June 11th through 13th, with one or more of the delegates.
- **Attend the Networking Luncheon** on Wednesday June 11th at the Australian Consulate, 150 East 34th Street, 34th Floor, to hear brief presentations from each of the delegates over lunch.
